

Shore Memorial Hospital welcomes new Human Resources Director

NASSAWADOX – Nicole Miller has joined the staff at Shore Memorial. Miller has a wide range of experience in all facets of Human Resources functions including hiring, staffing, strategic planning, benefits, policy development and communications.

With 10 years of HR experience southeast medical institutions, this Virginia Beach native is well grounded in the specific needs and opportunities of the region as well as the basics of Human Resource management. Miller has a bachelor's degree in Business Administration from Mount Olive College in Wilmington, N.C. and has been a Certified Professional in Human Resources (PHR) since 2002.

Miller reports that she is “excited to be a part of Shore Health Services” and she is “looking forward to getting to know the staff and getting involved in community affairs.”
