POLICY:

Shore Health Service, Inc. will review all OIG Fraud Alerts and the current OIG Work Plan and act on any recommendations or issues as apply to Shore Health Services, Inc.

PROCEDURE:

The Compliance Office will distribute all Fraud Alerts as published by HHS through internal email to everyone on the internal email list and to offsite managers that have external email. Any Department Manger not having email will receive a printed copy.

The Department Manager will familiarize themselves with the content of all OIG Fraud Alerts and the current OIG Work Plan and how they apply to their department. It is the responsibility of the Department Manger to disseminate this information to their staff.

The Department Manger will develop any Plan of Action that is necessary to meet the OIG Fraud Alerts or OIG Work Plan and forward a copy to the Compliance Office.

To keep current and up-to-date you may review the OIG Fraud Alerts and the OIG Work Plans on the HHS web site.
